

Transitioning to a Common Core Classroom

My Implementation Journey

June 28, 2014

Travel Tips

- Take the first step. Start small- try something new 5% of your teaching time. That is about 30 minutes per week.
- Follow the 4-Step problem solving plan- revised for teaching.
 1. Research best practices. (Read/Explore)
 2. Plan Lessons. (Plan)
 3. Teach. (Solve)
 4. Reflect and Revise. (Check your answer for reasonable solutions.)

Notes:

A journey of
a thousand
miles must
begin with a
single step.
