IRIS M. CARL AWARD

June 23, 2016

TODOS 2016 Conference
Ensuring Equity and
Excellence in
Mathematics for ALL,
Scottsdale, Arizona

The TODOS Iris M. Carl Equity and Leadership Award recognizes an individual who has made significant contributions to the quality of mathematics education provided to underserved students, in particular to Latina/o students. The honoree is a mathematics educator who exhibits commitment to improving the mathematics education for all students and has made, or is

making unique contributions that have impacted equity and access for underserved students. The individual's work in improving mathematics has influenced the school, community, leaders and practitioners, and its impact has been sustained.

Casio has sponsored this award since its inception in 2005. The

awardees recognized during the 2016 TODOS Conference were Dr. Rochelle Gutiérrez and José Franco with Nathan Austin from Casio attending. TODOS would like to thank Casio for their continued support of the Iris M. Carl Award and their support of equitable mathematics education for all.
