

## How to Join a TODOS Circle

This is a feature that TODOS is JUST beginning to use -

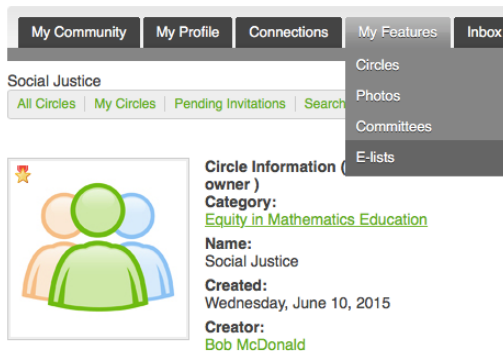

- 1 login and you will be taken to the members landing page.

- 2 click on my community

- 3 Join the circle!

While you're on the page you can also

- add a photo –
- make connections –
- manage your electronic list preference
- update your profile

Think of this as facebook or linked in for TODOS  
Since this is new to us, there may be a few kinks along the way
