

# ***TODOS 2020 Preconference***

**June 25, 2020**

**8am-3pm**

**Scottsdale Plaza Resort, Scottsdale, AZ**

## **CHANGE-AGENTS TAKING ACTION FOR EQUITY IN MATHEMATICS EDUCATION**

**Do you want to understand the roles that power, privilege and oppression play in mathematics education?**

**Do you want to expand your skill set for advancing equity in mathematics education?**

**Do you want to learn how to advocate for a more just and humanizing mathematics education?**

Participants will

- Examine artifacts of schooling that support participant's ability to recognize and cultivate students' mathematics identities, as well as identify barriers to equitable opportunities to learn
- Modify curriculum to include the initiation and maintenance of routines and practices that move students towards developing positive mathematics identities and problem solving confidence
- Rehearse what to do in difficult situations through role-play
- Discuss and craft unified messages to build community around necessary change in culturally responsive mathematics practices and policies.

Preconference Registration
