TODOS: Mathematics for ALL

An Affiliate of the National Council of Teachers of Mathematics (NCTM)

The mission of TODOS: Mathematics for ALL is to advocate for an equitable and high quality mathematics education for all students, in particular Latino/Hispanic students, by advancing the professional growth and equity awareness of educators.

Bibliography of Diversity and Equity in Mathematics Education

Second Edition

Spring 2007

Houghton Mifflin

This second edition of the TODOS Bibliography of Diversity and Equity should be considered a work in progress and by no means complete.

# Table of Contents

Assessment in Mathematics Education .............................................................. 4  
  Journal Articles  
  Chapters/Articles in Books  
  Reports

Bilingual Education and Mathematics Education ............................................. 5  
  Journal Articles  
  Books  
  Chapters/Articles in Books  
  Reports  
  World Wide Web Resources

Cultural, Political, and Social Context of Mathematics Education ................. 7  
  Journal Articles  
  Books  
  Chapters/Articles in Books  
  Proceedings, Policy Briefs, and Magazine Articles  
  World Wide Web Resources

English-Language Learners, ESL, and LEP Students in Mathematics Education .... 12  
  Journal Articles  
  Books  
  Chapters/Articles in Books  
  Reports  
  World Wide Web Resources

Equity, Empowerment and Social Justice in Mathematics Education .............. 14  
  Journal Articles  
  Books  
  Chapters/Articles in Books  
  Reports  
  Proceedings, Policy Briefs, and Magazine Articles  
  World Wide Web Resources

Ethnomathematics .......................................................................................... 18  
  Journal Articles  
  Books

Gender in Mathematics Education--See The Association for Women in Mathematics  
  Bibliography <http://www.awm-math.org/bibliography.html>

Language and Communication in Mathematics Education............................ 19  
  Journal Articles
