

TODOS 2021

Leadership Institute

June 24-25, 9:00am - 12:30pm PT/12:00pm -3:30pm ET

CHANGE-AGENTS TAKING ACTION FOR EQUITY IN MATHEMATICS EDUCATION - A VIRTUAL EVENT -

Do you understand how power and oppression are embedded in mathematics education?

Do you want to increase your awareness of resources related to equity in mathematics education?

Do you want to develop actionable steps to enact antiracist mathematics education?

The registration fee is \$75.

The rates will increase by \$25 on June 1.

Participants will

- Examine artifacts of schooling that support their ability to recognize and cultivate students' mathematics identities, and identify barriers to equitable opportunities to learn
- Modify curriculum to include the initiation and maintenance of routines and practices that move students towards developing positive mathematics identities and problem-solving confidence
- Rehearse what to do in difficult situations through role-play
- Discuss and craft unified messages to build a community around the necessary change in mathematics practices and policies
- Be invited to join professional learning teams that will meet virtually throughout the 2021-2022 school year to put plans into action.
